

## 2022-2023 Partner in Sponsorship Proposal

### Mission:

Rebuilding Hope! Sexual Assault Center for Pierce County offers support toward healing through advocacy and therapy for those affected by sexual assault and abuse. Through education and collaboration Rebuilding Hope improves the community's response to sexual assault and abuse victims and challenges the behaviors and beliefs that promote sexual violence.

### Who are we?

The only state-accredited community sexual assault program certified to provide 24/7 crisis intervention and victim advocacy services to survivors of sexual assault and abuse across Pierce County in addition to trauma-focused therapy services and prevention education interventions.

### Who do we serve?

ANY survivor of ANY form of sexual assault or abuse (verbal sexual harassment, child sexual abuse, rape or attempted rape, commercial sexual exploitation/sex trafficking) who resides in or was victimized in Pierce County *regardless* of 1) when the violence occurred, 2) what the victim's relationship was to the offender and 3) without discrimination on the basis of age, race, color, ethnicity, nationality, immigration status, gender identity or expression, sexual orientation, religion, veteran status, income, education, language or ability. Our services are 100% confidential, person-centered, empowerment-based and client-led and driven.

### In 2021 we served and offered -

- 1,175 survivors of sexual assault and abuse
- Over 2,117 hours of trauma-focused therapy to 134 survivors
- Over 1,555 hours of advocacy and case management provided to clients
- Over 55 education and awareness activities to over 630 youth and professionals

### What can you do?

You have the opportunity to join Rebuilding Hope as a partner towards meeting our mission across Pierce County. As a Sponsor, you or your company will be acknowledged and included in the event(s) or campaign(s) of your choosing throughout the year. If you contribute at or above the Empowerment Sponsor level of \$5,000, you will be featured as a **Dedicated Sponsor** for the *entire* fiscal year or calendar year, whichever is of greatest value to you - not just towards a single event or campaign.

*Most importantly*, your sponsorship will help Rebuilding Hope serve those who experience sexual violence in our community at a greater capacity this year.

Consider joining Rebuilding Hope's efforts to support survivors and end sexual violence in our community by pledging yourself or your company as a sponsor this year. Together, we stand a stronger chance of disrupting the systems and social norms that perpetuate sexual violence in our community and you will have made a direct impact towards supporting survivors towards healing.

### **Event & Campaigns**

If you or your company prefers to offer sponsorship support towards a specific event(s), Rebuilding Hope offers the following opportunities to partner with us in the presentation of the following events, activities and campaigns at the same sponsorship levels featured above. Please keep in mind that any/all **Empowerment, Impact and Legacy Sponsorships** qualify as ***Dedicated Sponsorships*** and will be featured at or during ***all*** of the following:

#### **Fall Forum:**

*Fall Forum* is a free, community education event marketed to all Tacoma and Pierce County community members and professionals aimed at increasing information and awareness around a variety of topics intersecting directly with sexual violence and its impacts on individuals, families and communities. This year's Forum is presented in a hybrid platform - both in-person and virtually - and addresses the intersections of race and gender-based violence. *Fall Forums* are scheduled in October.

#### **Hope for the Holidays:**

*Hope for the Holidays* is an annual online campaign running all of December that is marketed through Facebook, Instagram, Indeed and the agency's listserv. *Hope for the Holidays* offers the local and broader community friends of Rebuilding Hope an opportunity to give during the holiday season so the agency can reach mid-year fundraising goals needed to support programs, including 24/7 victim advocacy, therapy, community and prevention education services. Sponsors will be featured throughout the month-long campaign and have proven effective at offering "match" opportunities for individual donors to contribute towards. The fundraising goal for Hope for the Holidays is \$25,000.

#### **Spring Soiree:**

April is Sexual Assault Awareness Month and Rebuilding Hope's largest annual fundraising opportunity of the fiscal year. In honor of Sexual Assault Awareness Month, Rebuilding Hosts a *Spring Soiree* at the Silver Cloud Hotel at Point Ruston, offering an exciting cocktail hour celebration of Rebuilding Hope's

history, services and impact with delightful appetizers and refreshments along with opportunities for guests to support the agency through raffles, games, auction bids and more. In 2022, over 150 guests joined the *Soiree*, contributing over \$55,000 towards Rebuilding Hope's mission and services. The fundraising goal for the 2023 Spring Soiree is \$75,000.

**Basic Sexual Assault Awareness Training:**

For many years, Rebuilding Hope has maintained certification from the Washington Coalition of Sexual Assault Programs, in accordance with Washington Department of Commerce, Office of Crime Victims Advocacy requirements, to facilitate a Sexual Assault Advocate Core Training curriculum, which is named Rebuilding Hope's Basic Sexual Assault Awareness Training (BSAAT). Rebuilding Hope hosts 3 BSAAT cohorts every year in February, June and October, drawing dozens of attendees from across the Tacoma, Pierce County, South Sound and statewide professional and student communities. To offset the agency's staff and financial resources required to facilitate these cohorts, there is a cost associated with this training. Sponsorships dedicated to BSAAT can help mitigate these expenses and offer scholarships to prospective participants. Sponsoring BSAAT cohorts offers multiple opportunities to demonstrate your or your company's dedication to ending sexual violence through education and collaboration!

**Vicarious Trauma Workshops:**

Rebuilding Hope's Clinical Director of over 25 years, Stephanie Sacks, presents workshops every year drawing community members and professionals to learn about vicarious or secondary trauma, how it presents, its impacts ranging from individuals to organizations to communities, and skills for cultivating awareness for and mitigation against the significant impacts of this inevitable trauma. These workshops offer 3 ½ hours of dedicated space for individuals who have been directly or indirectly impacted by proximity to violence and trauma within their profession. To offset the staffing and financial resources required to facilitate these workshops, a nominal fee is charged for admission. Sponsorships dedicated to Rebuilding Hope's Vicarious Trauma Workshops will offer you or your company a chance to directly demonstrate your support of the human service, public service and frontline/first responder professionals that, daily, show up to serve our community.
